Thinking about flyers, brochures or other marketing materials for your business? Ask about our Print Production Services.

MENU OF DESIGN SERVICES

	HRS	RATE
<p>Design Consultation</p> <p>We will meet to discuss the initial design needs for your project. During this time, I will listen to those needs and gain an understanding of the scope of your project, review any materials you have provided, such as pictures, color or font samples, etc. During this discussion, I will begin developing ideas to bring your project to life.</p> <p>We will also discuss and develop a project timeline if your design needs will include print production for materials such as: flyers, brochures, invitations, business cards, etc. This initial consultation includes one complimentary follow-up consultation.</p>	1.5	<p>\$75</p> <p>*FLAT FEE</p> <p><i>*This flat rate is for clients within Cincinnati and Hamilton County. If your home or business is located within a surrounding county, a \$50.00 travel fee will be added to the initial design consultation rate. Also, should our meeting exceed the initial 1.5 hours, an additional \$25.00 per hour will be billed.</i></p>
<p>Design & Research Phase</p> <p>After your initial design consultation, I will begin the Design and Research Phase, where I put together concepts based on our initial discussion of your design needs. This service, billed hourly, will include the following, depending on your project needs:</p> <ul style="list-style-type: none"> • Font Selection • Color Selection • Formatting and Developing of Proofs • Digital or Hard Design Proofs , includes two (2) proofs 	--	<p>\$50</p> <p>PER HOUR</p>
<p>Logo Design & Brand Development</p> <p>Before you start thinking about designing a business card or picking colors for your letterhead, you need a <i>logo</i>. Your logo is your brand's most important design element because it's the basis for all your other marketing and branding material, including: stationery, packaging, promotional materials and signage. <i>*Fee includes the price of the final logo proof. The design phase to create the logo is billed at the above \$50 per hour.</i></p>	--	<p>\$150</p> <p>*FLAT FEE</p>
<p>Single Landing Page for Web</p> <p>In marketing, the need for a full website isn't always present. A "landing page" or <i>standalone web page distinct from a main website</i>, is designed with a single focused objective. For instance, it can serve as a preview of your brand and contain a contact form for visitors to reach you for more information.</p>	--	<p>\$200</p> <p>FLAT FEE</p>
<p>Web Design & E-Commerce Sites</p> <p>Have you developed your brand but need a site for customers to access information about your product or service? I can develop a basic site, usually consisting of five (5) pages (including a contact page) or an advanced site, such as an e-commerce website, for you to market and sell your products. <i>*The starting rate does not include the price to obtain a domain name or hosting of your site, but I will provide recommendations. Any further development beyond the basic five-page website will be billed at the above \$50 per hour.</i></p>	--	<p>\$300</p> <p>*STARTING RATE</p>
